We are proud to own this donor with Katie Colin Farm in Cartersville, GA. They are incredible partners. Blackbird 8768 has been an incredible producer and 5L8 is well on her way too. 3 IVF Heifer Sexed Embryos with a 1 Pregnancy Guarantee put in by a Certified Embryologist.

The SuperMama family has been highly sought after across the country, and we are happy to own 2554 with our good friends at The 909 Ranch in Statesville, NC. She was selected from BIG Timber for \$46,000. In the 2025 Spring BIG Timber Sale, they sold a daughter of hers by FF Rito Ambitious, BIG SuperMama AMB B438, which was the \$130,000 selection of Grimmus Cattle in Hanford, CA. She also had a bull calf on display in that sale that was the \$12,500 selection of Friendship Farms in Canoochee, GA. In the 2025 National Angus Finals sale hosted in Las Vegas, we offered a pregnancy by 4 Sons Breakaway, selected by Goforth Angus in East Bend, NC, for \$22,500. SuperMama FB 6276-2554 is also a full sister to the \$105,000 Byrd Fault Free, \$300,000-valued Byrd SuperMama FB 6276-2548 owned by Katie Colin Farms, the \$110,000-valued Byrd SuperMama FB 6276-2560 owned by Bullington Cattle Co., and the \$170,000 Byrd SuperMama FB 6276-2552 owned by Circle F Farms. The SuperMama family continues to bring great value to the marketplace with daughters of True Balance bringing \$300,000 to Parker Cattle and Stellpflug Cattle and another True Balance selling for \$80,000 to Katie Colin Farm in the September 2026 Byrd Cattle Event. These three sets of heifer sexed embryos are excellent matings that should offer outstanding value for generations to come.
